5. Hotel Conditions & Fees

The Company is not responsible for hotel conditions, hotel policies, or any fees imposed by the hotel or venue that are unrelated to the Company's work. All such charges are the sole responsibility of the Client.

The Client acknowledges that any issues related to access, hotel rules, or additional fees are outside of the Company's control.

- Any items left in the room are **not the responsibility of the Company**.
- The Client must ensure the room is a clean, workable space.
- All decor items, balloons, and materials used in the setup are non-returnable and remain the property of the Client once installation is complete. The Company does not provide rental items unless explicitly stated in writing.

7. Hotel Access & Reservation Requirements

To ensure smooth and timely setup, the Client agrees to the following:

- A **valid credit card must be placed on file with the hotel in advance** for the reservation and incidentals.
- The room must be **fully prepaid prior to the scheduled setup time**, as hotels will not release keys without payment.

If the reservation is made through a third-party provider (including but not limited to Expedia, Booking.com, or similar), the Client must:

- Contact the hotel directly to **place a credit card on file for incidentals**
- Confirm the hotel will **release a key to the Company for setup access**

The Client must also:

- **Notify the hotel in advance** that the room will be decorated by an external vendor

Failure to meet these requirements may result in **delays or inability to complete the setup**, and the Company shall not be held responsible for any resulting impact. **No refunds will be issued** in such cases.

8. Hotel Fees, Cleaning & Damage Charges

The Client is solely responsible for any cleaning fees, damage fees, or additional charges imposed by the hotel or venue as a result of the setup. This may include, but is not limited to, balloon removal, faux or real petals (if selected as an add-on), adhesive or tape residue, or any other charges assessed by the hotel for post-setup cleaning or restoration.

The Company uses LED candles as a standard. Real petals may be used only when selected by the Client as an upgrade option. Painter's tape and standard professional setup materials are used; however, the Client acknowledges that hotel policies and cleaning assessments are outside of the Company's control.

The Company is not responsible for any fees, charges, or penalties issued by the hotel or venue before, during, or after the setup. All such costs are the sole responsibility of the Client.

9. Liability

- Upon completion of the setup, full responsibility transfers to the Client. The Client assumes all risk and liability associated with the presence, use, and condition of all decor and materials, including any damage, injury, or loss occurring thereafter.
- The Company is **not responsible for injury, loss, or damage** to the Client's property, personal items, or any items left in the room.
- The Client agrees to **indemnify and hold harmless the Company** from any claims, demands, or legal actions arising from the setup.
- The Company is not responsible for any hotel policies, restrictions, or penalties incurred as a result of decorations, including but not limited to candles, balloons, or confetti, where permitted. The Client assumes full responsibility for confirming hotel policies in advance.
